## **YOU save \$1. THEY match \$3.**

We're proud to partner with the Northwest Credit Union Foundation to offer Matched Education Savings Accounts (MESA). The MESA program helps hardworking students with limited incomes save for college expenses. For every \$1 you save, the Northwest Credit Union Foundation matches it with \$3. Save up to \$500 and you will be eligible for the maximum match of \$1,500 for a total of \$2,000!

Household: Individuals who share use of a dwelling unit as primary quarters for living and eating separate from other individuals. Students who are claimed as dependents are considered part of their parents' household.
