Building a Secure Future

Saving regularly is the first step in building a secure financial future. We offer you many options so that you'll be prepared for anything, from life's little emergencies to buying a home and retiring.

Savings Account. A membership share account establishes your lifetime credit union membership and pays monthly dividends.

Holiday Club Account. Save easily for holiday expenses through systematic monthly savings.

Savings Certificates. We offer terms from 6 to 60 months. Just \$500 to open, or \$100 for Money Builder Certificate. Our Bump Up Certificate allows you to "bump up" your rate to the new rate once during the term of your certificate.

Save to Win. Washington members can win cash prizes just by making deposits to a 12-month Save to Win Certificate! Every \$25 you deposit to it gains another entry for you in Washington's prize drawings.

Money Market Account. Enjoy the advantage of higher dividend earnings and easy access with no penalty for early withdrawal.

Individual Retirement Account. One of the best investments you can make for your retirement, a Traditional or Roth IRA offers tax advantages you can take advantage of now or at retirement. (Check with your tax advisor.)

Access to Affordable Loans

If you need it, want it, or dream it, we can finance it and save you money. As a member-owned cooperative, Fibre Federal usually offers substantially lower rates than banks, finance companies, and auto dealers.

It's easy to apply in person, over the phone, or online 24 hours a day. You'll get all the help you need and a fast loan decision.

Auto Loans. We can help you find the right new or used car, price it, buy it, and finance it at our low rates with no loan fee. Your best deal is right here at Fibre Federal!

Home Loans. Whether you need a fixed rate, ARM, jumbo, FHA, VA, land, or unique type of loan, we can help you finance the home of your dreams!

Home Equity Loans. We offer fixed rate and line of credit home equity loans featuring low interest rates and minimal fees—and the interest is tax deductible for many homeowners. (Check with your tax advisor.)

Visa Credit Cards. Our Visa Platinum and Classic Credit Cards offer refreshing simplicity and a solid value. Instead of a "reward" program that leads to higher rates or fees, our Visa cards save you money—starting with no annual fee and a low, non-variable competitive rate!

Business Loans. Look to Fibre Federal for the low cost financing and personal service your local business needs to grow and thrive. Just like your business, we're local and committed to our community.

Other Loans. We also offer RV & Boat Loans, Personal Loans, and Share Secured Loans.
