

Courtesy Pay and Debit Card Courtesy Pay Notice & Request

This Notice and Request outlines information about the Courtesy Pay and Debit Card Courtesy Pay program of Fibre Federal Credit Union and TLC, a Division of Fibre Federal Credit Union.

What You Need To Know About Overdrafts and Overdraft Fees

An overdraft occurs when you do not have sufficient available funds in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in different ways:

- We have a standard overdraft protection service called Courtesy Pay that comes with your account, if you meet specific criteria. This services covers overdrafts related to check, ACH and recurring debit card transactions.
- We also offer additional Checking Protection plans, such as a transfer from your savings account or line of credit called Overdraft Transfer Protection. This service has no fee and is less expensive than our Courtesy Pay program. To learn more, ask us about these options.

What does the Credit Union's Courtesy Pay Service cover?

With Courtesy Pay, we do authorize and pay overdrafts for the following types of transactions:

- Checks written using your checking account number
- Other transactions made using your checking account number
- Recurring debit card transactions (e.g. gym membership)
- Bill payments and other online transactions you initiate

The Credit Union pays overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined.

We will not authorize and pay overdrafts for the following types of transactions unless you ask us to (Enroll). This service is called Debit Card Courtesy Pay:

- ATM Transactions
- Single Debit card transactions
